L'Acadie des terres et des forêts c'est vraiment notre beau chez nous
Nos lacs, nos rivières, pi nos ruisseaux, pi même nos p'tit bayous
The Acadia of Lands and Forests is truly our natural home
With our lakes, rivers, and our streams, and even our small bayous

Fiddlehead Focus and the Valley Times is still our one and only
And that's very good news for the good people of our beautiful St. John Valley

Fiddlehead Focus et le Valley Times sont jumélées permanents
C'est des bonne nouvelles pour toute le bon monde de notre belle Vallée Saint Jean

Quand nos ancêtres sont mnu icitte c'étais vraiment pour rester
We love it here and we're staying here for all eternity

We're all together standing tall as proud Acadians
Ont est debout toute ensemble comme fiers acadiens
Fiddlehead Focus and the Valley Times is still our one and only...

Read all about it! I see some joker called the cops 'cause a dog walked down the street
Pi nos politiciens nous font des promesse qu'ont crée pas toute suite
The town council meeting is better than any reality tv show
La police ont couris après un orignal qui s'promenais su' l'sidewalk

Fiddlehead Focus and the Valley Times is still our one and only ...
